

Kid's Hideout
Personal Property Information & Release Form

Please label all of your child's belongings that accompany him/her to school/Hideout: backpacks, jackets, lunch boxes, music instruments, school books, etc. Your child is responsible to keep track of all of his/her items.

The following personal property should **NOT** be brought to school or Kid's Hideout on regular Springhill school days: card games, books, stuffed animals or dolls, electronic games, ipods or other personal music player, **ANY & ALL items of a violent nature**, etc. During in-service days, holiday camps & our summer program, Hideout does allow the children to bring personal items to Hideout (though violent toys are never allowed!) These items may be brought on field trips days but they may not be brought on any *fieldtrips!* We encourage you send disposable containers when sending lunches on field trips.

Throughout the year & during our summer program, we have random "Wheels" days. On "Wheels" days, you may bring bikes, roller skates, skateboards, scooters and small remote control cars. No other electric "wheels" may come to or be used at Hideout. Safety equipment for the "Wheels" days must be provided by the parents and a the **Permission Slip for Wheels Day** form must be filled out and signed by both you and your child. Helmets must be worn with all "Wheels".

We encourage you not to send items that are especially precious to your child. Kid's Hideout will not be responsible for the loss or breakage of any personal items brought to our center. Items that are deemed inappropriate for Hideout will be kept in the office until pick-up time and we will ask that they not be sent in again.

Please sign and return the bottom portion of this notice and return it to Hideout with all other registration paperwork.

Kid's Hideout - Personal Property Release

I release Kid's Hideout of any responsibility due to any breakage or loss of toys, games, or other items brought from home. I understand that labeling all items with my child(ren)'s name may assist in the recovery of an item - should it become lost.
